

## THE DIVA CUSTOM CORD MAKER

*The Diva Custom Cord Maker makes braiding easy! Portable and elegantly simple, design home adornments, jewelry, bookmarks, belts and much more!*

Diva Custom Cord Makers are clear acrylic boards that are used to make simple woven cords. These braiding boards, are similar to Kumihimo Boards, but are much easier. Silk, satin, colored Soft Flex Wire and other fibers can be used to make cords for purses, clothing, bracelets, necklaces and more. They are wonderful gifts for creative children and crafty adults. Easy to learn and simple to use.

The *Diva Custom Cord Maker* set includes 3 disks (looms), 8 small and 8 medium bobbins, plus instructions.

The *Diva Custom Cord Maker Deluxe* set includes 2 disks (looms), 8 large bobbins, plus instructions.

Made in the USA

This design was made to be used with the Diva Custom Cord Maker.

*Design by Mary Kamiya*
