7x9mm Swiss Blue CZ Faceted Briolettes - 2 briolettes

4mm Champagne CZ Faceted Rondelles - 2 rondelles

Tools:

Crimping Pliers • Mighty Crimper • Cutters

Chain Nose Pliers • Round Nose Pliers

Instructions:

1. Use 1 eye pin to string 1 Green Fluorite cylinder, 1 bead cap, and 1 Blue Turquoise rondelle. Form a wire wrapped loop that attaches to 1 ear wire.
2. Use 2 1/2" of Bone wire to string one 2mm x 2mm crimp tube and 1 Unakite drop. Pass back through the tube, leaving a loose loop of wire around the drop, and crimp. String 1 Blue Turquoise rondelle and 1 Green Flourite cylinder. Set aside.
3. Use 2 1/2" of Green Turquoise wire to string 2mm x 2mm crimp tube and 1 Swiss Blue CZ briolette. Pass back through the tube, leaving a loose loop of wire around the drop, and crimp. String 1 Champagne CZ rondelle and 1 Blue Turquoise rondelle. Set aside.
4. Use 2 1/2" of Fluorite wire to string one 2mm x 2mm crimp tube and 1 Green Aventurine drop. Pass back through the tube, leaving a loose loop of wire around the drop, and crimp. String 1 Blue Turquoise rondelle and 1 Green Turquoise square. Set aside.
5. Use the free ends of each wire to string one 3mm x 3mm crimp tube and 1 jump ring. Pass back through the tube, leaving a loose loop of wire and placing each wire so that the drops are somewhat even in length, and crimp.
6. Attach the jump ring to the eye pin.
7. Repeat Steps 1 to 6 for the second earring.

Although most projects should be fine for children over the age of 6, Soft Flex® Company suggests parental supervision.
