Cutters

Instructions:

1. Cut 6" each of Tanzanite, Lapis, and Blue Topaz wires.
2. Use the Tanzanite wire to string 1 Kyanite barrel. Use the Lapis wire to string 1 Lapis rectangle. Use the Blue Topaz wire to string 1 Kyanite barrel.
3. Use all three wires to string 1 crimp tube. Place the tube at the very ends of one end of the wires. Use the other end to pass back through the tube, forming a large ring of wire, then pass back through the tube again, forming a small ring above the large ring. Crimp the tube.
4. Attach 1 ear wire to the small, top ring.
5. Repeat Steps 1 to 4 for the second earring.
